

## 30 inch Induction Range, 4 Heating Zones, Electric Self-Clean Oven Professional Series

\$ 7,919

### PRO304IFPCAT

The new Bertazzoni ranges are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

This all-new induction range has 4 high-power heating zones with maximum power output of 3700W. The right-side heating zones can be bridged to create a larger cooking area. Each induction area is controlled with knobs and has a convenient read-out interface on the glass worktop.

The 4.6 cubic feet oven cavity is the largest in its class, with dual convection fan for balanced airflow and even temperature baking and roasting on 7 shelf levels. The elegant digital temperature gauge monitors the actual temperature in the oven and has integrated controls in the bezel for the food temperature probe. The extra wide electric broiler with optional convection is ideal for grilling and searing at high heat. The oven includes convenient features such as smooth telescopic glides for the oven shelves and soft-close doors. The edge-to-edge interior oven glass door maximizes interior volume and can be wiped clean without effort.

This range comes with a dedicated air-frying mode for healthier cooking, to be used with the included stainless steel mesh basket.

The fingerprint resistant finish on all knobs, handles, and stainless steel oven door surfaces makes cleaning a breeze.

All Bertazzoni appliances are covered by a 2-year warranty.

# Specifications

## Features

### Worktop

Size	30 in
Cooking zones	4
Number of induction zones	4
Worktop type	induction / standard cast iron griddle
Knobs	metal coated
Backguard	yes

### Cooking zones

Induction 2 bridge zones	yes
Induction front left	Ø 5 ¾ in - 1400W up to 2200W
Induction back left	Ø 8 ¼ in - 2300W up to 3700W
Induction front right	Bridge 2100W - 3700W
Induction back right	Bridge 2100W - 3700W

### Oven cavity

Oven configuration	single
Oven fuel	electric
Oven convection system	dual diagonal with ring heating element
Oven type	electric convection self clean
Oven broiler type	electric
Oven levels	7
Cooking modes	bake / broil / convection / convection bake / convection broil / dehydrate / pizza / proofing / self clean / warming
Oven volume	4.6 ft <sup>3</sup>
Oven controls	knobs with digital control buttons
Inner oven door	triple glass
Removable inner glass	yes
Food probe	yes
Door hinges	soft-close
Air fryer	yes

Wire-shelves	2 full size
Tray	1 baking tray w/grill trivet + 1 air fry basket
Grill trivet for tray	yes
Oven lights	double side mounted

**Bottom**

Legs	stainless steel
------	-----------------

**Technical specifications**

Absorbed current (A)	40 A with dedicated circuit
Electrical supply	120/240V 60 Hz - 13000W or 120/208V 60Hz - 11700W

**Dimensions**
