

48 inch All-Gas Range 6 Brass Burners and Griddle Professional Series

\$ 12,179

PRO486BTFGMXT

The new Bertazzoni ranges are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

The high-efficiency maintop with 6 brass burners and electric griddle features 2 dual ring 19,000 BTU power-burners that boil water in under 6 minutes (best in class), and 4 additional MonoBloc burners of variable size and power to suit every style of cooking, with delicate simmer at 750 BTUs. The stainless steel griddle with integrated cover provides additional cooking options.

The 4.7 cubic feet main oven cavity is the largest in its class, with dual convection fan for balanced airflow and even temperature baking and roasting on 7 shelf levels. The elegant large temperature gauge monitors the actual temperature in the oven. The extra wide infrared gas broiler is ideal for grilling and searing at high heat. The 2.4 cubic feet auxiliary oven is perfect for smaller dishes and for warming. Both ovens include convenient features such as smooth telescopic glides for the oven shelves and soft-close doors. The edge-to-edge interior oven glass door maximizes interior volume and can be wiped clean without effort.

The fingerprint resistant finish on all knobs, handles, and stainless steel oven door surfaces makes cleaning a breeze.

All Bertazzoni appliances are covered by a 2-year warranty.

This model is also available with LP gas connection.

Specifications

Features

Worktop

Size	48 in
Cooking zones	7
Number of gas burners	6 burners
Griddle zones	electric
Worktop type	gas / electric griddle
Worktop design	stainless steel with seamless edges
Worktop controls	metal knobs
Knobs	metal coated
Burner type	brass
Grates	cast iron
Continous grating	yes
Thermocouple safety device	yes
